Professional Experience

2006 – Present

A Qualified Homeopathic Practitioner. (B.A, LCHE)

Working with patients mainly on private, individual basis from **The Violet Hill Clinic** in St. John's Wood, London..

Working with **drug and alcohol addicts at a day centre in south London as part of The Mayor of London projects.** At the day centre I do Practical Homeopathy with the patients, in collaboration with there GP's, Psychiatrics etc'.

Also doing **Personal & Corporate (executive) Coaching, fitness & Health (CPCOACH)** as part of my **Well-Being and Health Consultancy business.**

With the **Coaching** I help clients identify & achieve both personal and business goals of there lives. Working mostly with private clients on **Relationship, Career** motivations and methods.

The model preferably integrates the different practices & services to the best interest of the client, according to the case analysis, the condition and the history of the individual.

2004 – Present

Energetic Healing & Reiki Practitioner. (SHODEN)

Working with private clients from all walks of life. **With Energetic Healing one can achieve a better quality of life whether the starting point is relatively low, or high.** The system supports the organisms natural drive towards health.

Practicing this very safe, non-invasive, gentle healing method with **elderly people, mother & babies, healthy people and some people with deeper pathologies.**
